Challenge racing: The race is Saturday May 27th at the Yucatan property. We will need to monitor the track to assist any racers that may need help. It will be a fun day. We need your help the day of the race and work day May 21st.

From the Pres: This Saturday is our monthly meeting along with the Rushford youth ATV safety training. Because of the training we have moved the regular meeting up to 7:30am. I know, I know that's awfully early. You can still come to assist at the training which starts at 9:00am. If anyone is willing to bring a pan of bars or cookies for the students it would be great!

Well it's finally here. The club has jackets available.

They look great! The cost is \$45.00 for the embroidering; you can supply the coat or sweatshirt or purchase one from Embroidery Unlimited. If you have them supply the coat or sweatshirt, that will be an additional charge. Bring the coat or sweatshirt you would like to the meeting and we will take them in. They should be ready by the next months meeting.

Coat logo sizes range from youth 12 to adult XXXXL.

The hat logo can be put on the front of a shirt. We also have hats on order. They will be available at the May 27th ATV Challenge.
