July is a busy month for the ATV club. We have parades to ride in. We have a big race to put on. Food needs to be prepared and sell. This is a big month for the club. There is a lot of work to get everything ready. Prepare the float for the parades. Get the track ready. Items need to be purchased. And put the race on. It's a lot of work but if we all pitch in it will be easy. We need the help of all the members to get the job done.

And there's more.... You can now order club merchandise online. Hats, Jean Jackets, and to be added soon Denim Shirts and Woman's Tank Tops.

Also we have our Annual Drag Race coming up at the end of the month. We need membership support in the setup and operation of the race and food stand. Its fun and you get to meet other club members. We are going to change the layout of the grounds to decrease the amount of labor needed to pull off the this annual event.

July is also the major month for parades check out the dates listed in this newsletter for location and times.
