No gift exchange this year. Just come and enjoy the food and the party.

Contact Heidi by Dec 3rd to get your reservations in.

Notes from the meetings:

Hats & Jackets: Available on the web for viewing. We sold a few hats at the race.

Web sight – suggestion was made to arrange pictures from news to oldest. Make a member's only section. You would need a pass word to get in. It would list the members name and number.

Membership Report: We have 35 adult members.

ATV Drags: We are wrapping up paying the bills. We are putting together a final report. Paid the Hoedown committee for there percentage of the profits – 15%.

ATV Challenge: We had a few more racers this time verse the first race earlier this year. The race is slowly growing in attendance. We are paying the bills for this race. We should

R & J Motor Sports

Daniel's Yamaha

Plainview Powersports

Al's Specialty Marine

M&M Lawn Leisure

Rough Cut Lawnmower: The lawnmower is purchased. Fleetfarm donated money to help on the purchase.

Chatfield Trail: The trail system is progressing. It should open in the spring. The city of Chatfield voted for approval of the trail. Thru ATVAM we can get a \$1,000,000 policy at a cost of \$1,000 per year. 90% will be reimbursed by the state.

The DNR has the paperwork for approval of the trails. There should be a public hearing soon.

Club Rides: October a few of the club members rode the Chatfield Trails. November we did not ride due to hunting season.

There is a ATVAM meeting in St. Cloud on Dec 9th "How to set up a trail". Motion was made and passed to reimburse Brian, Mitch, Mike H. for the cost of registration.

Plaque was passed around with all the past officers. This looked very nice. This is a good way to remember all those that held office and what year.

Remember to get your reservations in for the Christmas party!!!
