March's Meeting

March's meeting had a good attendance. Jan Bublitz treated everyone to donuts which was greatly appreciated. Thank you Jan! The president was a little long winded but was still able to end the meeting by noon. Most of the members went for a ride at the Yucatan property. Pictures and a video have been added to the web, if you can, check them out. It was a fun time and we enjoyed the nice weather.

Chatfield Trail

Not too much new with the trail. The trail does not need to go through all the environmental studies but the Mankato Board still has to make a final review. Paperwork still has to happen after the DNR approves the trail. Stay tuned..... Also, watch the website for the re-opening date for the trail.

Training

Classes are starting to fill up for both dates. A lot of registrations are coming through the website. The more people that show up to help, the more fun for everyone. Tables and chairs will be needed for the Rushford class. If you have not helped at training and are not sure what to do, contact either Brian or myself.

Club Ride

A committee was formed at the meeting to help organize a club ride. Criteria for the trip is 2-4 nights with Hotel/Camping accommodations, 6 hour maximum drive or 300 miles, and days agreed on were Thursday thru Saturday. So far the

committee consists of Mitch, Jean, and Heidi. Contact one of us if you have any ideas or suggestions or would like to be on the committee.

Parades

Due to a sudden downward wind squall, the previous sign was viscously ripped from the grasp of the members tenderly caring for it, and was then run over by a truck. With this tragedy, we are now working on creating a new and enhanced sign. This sign should be ready for the first parade. When not floating in a parade, the sign will reside in a lot in Houston to advertise for the club. Check out the Up Coming Events sections for dates for upcoming parades.

Membership

Registrations are still coming in. Thanks to all that have re-joined for this year and of course, to our new members. If not already done, please send in your dues for 2007. Dues can be mailed to PO Box 191, Rushford, MN 55971. Family membership is \$20 and a single membership is \$15. Also, memberships can be submitted through the website (and paid).
